## Invitation!

You are invited to attend a Public Information Meeting to review design plans. The design team will be available to explain the plans and answer questions.

Please come to:

1. Learn about the project and anticipated schedule
2. Advise project team members of your concerns related to:
  - Proposed temporary lane or street closures
  - Special events or site access needs during construction
  - Construction noise
  - Temporary disruption of water or electrical service
3. Speak to project representatives one-on-one about the project.

Representatives from the Cities of Prior Lake and Savage, MnDOT and the consultant team will be available to listen to your concerns and discuss issues. You will have the opportunity to provide written comments.

Larger drawings will be available for viewing at the open house and on the project website:
