

## Contact Information

The project team is committed to working with interested citizens throughout the design and construction process. If you have questions or concerns but cannot attend the open house you are encouraged to contact:

### City of Prior Lake

Larry Poppler, City Engineer/  
Inspections Director  
(952) 447-9832  
[lpoppler@cityofpriorlake.com](mailto:lpoppler@cityofpriorlake.com)

### City of Savage

John Powell, Public Works  
Director/  
City Engineer  
(952) 882-2672  
[jpowell@ci.savage.mn.us](mailto:jpowell@ci.savage.mn.us)

### MnDOT Metro Division

Jon Solberg, South Area  
Manager  
(651) 234-7729  
[jon.solberg@state.mn.us](mailto:jon.solberg@state.mn.us)

### SEH (Engineering Consultant)

Mike Kotila, Project Manager  
(952) 912-2626  
[mkotila@sehinc.com](mailto:mkotila@sehinc.com)

## TH 13 – 150<sup>th</sup> Street Area Safety Improvements

## Newsletter

### Project Status Update

August 20, 2014

## Project Website

For additional information go to  
[www.sehinc.com/online/13-150](http://www.sehinc.com/online/13-150).

Concept drawings and a summary of public comments are posted. Additional comments can be submitted on-line.

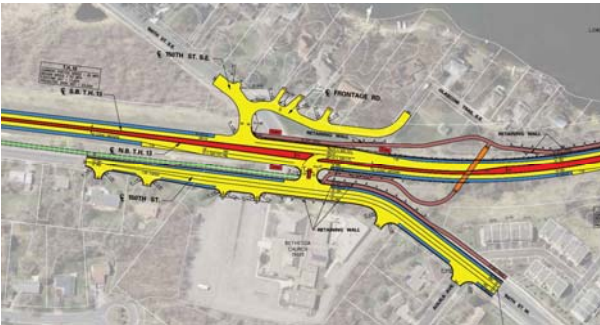

## Thanks for Your Input

The project team has received an impressive amount of input from residents of both Prior Lake and Savage. A summary of public comments is available on the project website.

## 2015 Project Options Considered

Larger drawings and concept evaluation information is available on the project website.

### Concept 1 – 3/4 access at 150<sup>th</sup> Street with trail tunnel under TH 13

No new traffic signal on TH 13. Serves SB left turns to 150<sup>th</sup> Street. No left turns allowed to TH 13 from 150<sup>th</sup> Street or Oakland Beach Avenue.

### Concept 5 – Traffic Signal at 150<sup>th</sup> Street

Full access to/from TH 13 at 150<sup>th</sup> St. Oakland Beach Ave serves right in/right out movements only. U-turns from southbound TH 13 served at 150<sup>th</sup> St traffic signal.

### Concept 6 – Traffic Signal at Oakland Beach/Zinran Avenue

Full access to/from TH 13 at Zinran/Oakland Beach. 150<sup>th</sup> Street and Rustic Road serve right in/right out movements only. U-turns from southbound TH 13 served at Zinran/Oakland signal.

## Recommendations

Concepts 5 and 6 achieve desired safety objectives but with differing costs, impacts and traffic patterns.

Staff recommendations will be posted to the project website at [www.sehinc.com/online/13-150](http://www.sehinc.com/online/13-150) prior to each City Council meeting.

## Next Steps

Prior Lake and Savage City Council's will consider options and provide direction to staff. Funding commitments require that decisions be made soon to allow time for design and right of way acquisition for construction in 2015.

## City Council Meetings

Final selection of an alternative will be considered by each city council at these meetings:

**City of Prior Lake**

**August 25 2014; 7:00 pm**

**City of Savage**

**September 2, 2014; 7:00 pm**
