November 20, 2020 | Project Update No. 15

Project Schedule

- The Project is Substantially Done!
- The project streets all have the final layer of bituminous pavement.
- We understand construction has been an inconvenience – we have appreciated your patience as we work to improve the City's streets!
- The contact between the City and A-1 will remain open until spring.

Next Year's Anticipated Work

- Staff will review the project in the spring for any issues to repair as well as make sure the grass is growing in the disturbed areas.
- If you have concerns/issues that arise over the winter ie: cracked driveway/settlement in your boulevard, please contact Steve Rose at 612.759.1544.
- ENJOY WINTER and STAY SAFE
